This is an application to change the layout and design of the premises in accordance with the submitted plan. The main changes include the addition of a bar servery in the external area, within the current licensable area.

To add the following conditions to the premises licence:

- The garden bar will only be used between the hours of 12.00 hours and 22.00 hours daily.
- The garden bar will be supervised at all times when in use.
- The garden bar will be inaccessible to customers when not in use to ensure they do not have access to any alcohol.
- Any outside areas are to be monitored and supervised by management and staff, when occupied, during the hours that the premises are open to the public. A register will be kept to show that the external area have been checked for noise levels by a member of staff at least every hour. The register should record the time of the check, name of staff member, result of the check and any action taken if required.
- A dispersal policy ('the policy') will be drawn up and implemented to ensure that as far as practicable customers leaving the premises at the end of each night's trading session do so quickly and quietly. The policy will be disseminated to staff as required to ensure that it is properly implemented and a copy kept at the premises for inspection by licensing or other responsible authority officers on request.
- A sign will be displayed at each exit from the premises asking customers to respect the rights of nearby residents not to be disturbed and leave quietly.
- A challenge 21 policy is to be employed whereby those who appear to be under the age of 21 and are attempting to purchase alcohol will be asked to provide identification.
- The only type of identification that will be accepted is a photo driving licence, passport, PASS (Proof of Age Standards Scheme) or accredited Military identification cards.

To remove the following conditions from the premises licence, which are covered by alternative legislation or updated conditions have been provided:

The following are the only forms of identification acceptable: UK photo driving licence, passport, PASS card (proof of age standards scheme). (updated condition provided above).
- Before the premises are opened for the purposes authorised by the licence an inspection shall be carried out to ensure that the premises are safe for use. Details of the inspection, defects discovered and remedial action taken shall be recorded in writing in a logbook kept for that purpose. That logbook shall be made available for inspection on demand to an Authorised officer of the Council, a Fire Officer or a Police constable.
- The front entrance doors which form part of the escape route open against the direction of travel. They shall be locked in the open position by a tamper-proof fastening whenever there are public on the premises.
- The fire alarm, emergency lighting system and electrical installation shall be tested on a regular basis, at a frequency determined by a competent person. Certificates should be issued showing the results of the tests. The certificates shall be made available for

inspection on demand to an authorised officer of the Council, a fire officer or police constable.

- There may be a cigarette machine in that part of the bar reserved for over 18s but otherwise there will be no adult entertainment services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.
- Monitor all outside areas during and at the end of services. (updated condition provided above).
- Sign placed above the door asking customers to leave quietly, and in an orderly manner, with respect for local residents. (Updated condition provided above).
- Garden area is monitored regularly by staff (updated conditions provided above).
