A GREAT WAY TO SPEND YOUR DAY!

Keep the family entertained all day with a range of attractions whatever the weather. The Splash Park is one of the biggest in the region with water jets, sprays and cannons. Remember to bring a towel!

Get the kids to burn off some more energy in the play areas or try one of the attractions; bouncing on trampolines, riding the swing boats, board the miniature railway, a friendly game of adventure golf, whizz around the roundabout or try the indoor play area if it's pouring down. We also have a Changing Places toilet available. Charges apply to some attractions - please see map icons

MAKE A SPLASH You can be certain to get soaked at one of the biggest splash parks in the region. Children love running through the interactive water jets, sprays and cannons and getting dunked under the fill and spill bucket! Tickets available from the kiosk (see map).

NATURAL ADVENTURE PLAY AREA Take an exhilarating cable ride, build dens and play games, build sandcastles and climb boulders. Brave the heights of the climbing frame and speed down the slide..
