A GREAT WAY TO SPEND YOUR DAY!

Keep the family entertained all day with a range of attractions whatever the weather. The Splash Park is one of the biggest in the region with water jets, sprays and cannons. Remember to bring a towel!

Get the kids to burn off some more energy in the play areas or try one of the attractions; bouncing on trampolines, riding the swing boats, board the miniature railway, a friendly game of adventure golf, whizz around the roundabout or try the indoor play area if it's pouring down. We also have a Changing Places toilet available. Charges apply to some attractions - please see map icons

MAKE A SPLASH You can be certain to get soaked at one of the biggest splash parks in the region. Children love running through the interactive water jets, sprays and cannons and getting dunked under the fill and spill bucket! Tickets available from the kiosk (see map).

NATURAL ADVENTURE PLAY AREA Take an exhilarating cable ride, build dens and play games, build sandcastles and climb boulders. Brave the heights of the climbing frame and speed down the slide..

TRY THE WOODLAND FAIRY TRAIL Pick up your copy of the Fairy Trail in the café (suggested donation 50p, money goes to The Friends of Happy Mount Park towards the purchase of accessible play equipment), then head to the Japanese Garden and Woodland Walk. As you walk the shady woodland paths, look out for the letters on 13 doors dotted along the paths – can you work out what they spell? Return your completed sheet to the café for a sticker!

GET ACTIVE Challenge family and friends to a game of Crown Green Bowling. For fast paced action visit the multi sports area for tennis, basketball and football.

SPACE TO RELAX Find a shady spot to enjoy your picnic amongst the stunning flower displays. There are plenty of benches and tables to sit whilst the kids play on the grass.

Some of the activities and areas of the park are closed during the winter season. Please visit our website for more information.
