#### VARIATION

Do you want the proposed variation to have effect as soon as possible?  Yes  No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes  No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

#### Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

The Bradford is a town centre public house/bar located at 40 Queen Street, Morecambe. The premises operates primarily as a drinking establishment providing the sale of alcohol for consumption on the premises together with live music and indoor sporting events. The premises is situated within Morecambe town centre and benefits from a comprehensive range of conditions designed to promote the licensing objectives, including CCTV, Challenge 25, staff training, incident recording, a drugs policy, dispersal procedures and SIA registered door supervision.

This application seeks only to vary the existing door supervisor condition attached to the premises licence. No changes are proposed to the licensable activities, hours of operation, premises layout, capacity, designated premises supervisor or any other existing licence conditions.

The applicant seeks to amend the existing condition requiring a minimum of two SIA registered door supervisors on Friday and Saturday nights and Sundays before a Bank Holiday so that a minimum of one SIA registered door supervisor is required from 20:00 hours until close, with additional SIA registered door supervisors being deployed where required following a risk assessment, customer numbers or special events.

The premises currently has two entrances but will operate using a single entrance.

The applicant considers that the proposed variation will continue to promote the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm whilst allowing security provision to be proportionate to the operational requirements of the premises.
