Declaration – Please read and sign the following statement.

I wish to apply for a Pavement Licence to use the highway as detailed in this application and the accompanying plans and enclose the required fee of £500 (new) **£350 (renewal)**

I am aware of the standard licence conditions that will be applied to the grant of this licence and that in the event of representations being received the application will be determined by The Licensing Sub-Committee. In such circumstances I understand that the application may be granted as applied for with or without modifications and may be subject to additional licence conditions being attached to the grant of the application. I understand that the application may also be refused.

Name in Print:John Gaunt & Partners Solicitors for applicant. Date: 20.7.26

Signed –

NOTES

Applications should be made electronically marked for the attention of the Licensing Manager, to licensing@lancaster.gov.uk and include the following:

1. A completed application form.
2. A location plan to Ordnance Survey quality to show the proposed area for the Pavement licence at 1:1250 scale.
3. A detailed plan (to show the proposed Pavement Licence and associated furniture) to a specified scale.
4. Full details of the furniture/equipment to be used.
5. An example of the menu of drinks/foods to be served.
6. Details of the management arrangements for the pavement licence area..
7. The standard fee.
8. Proof of indemnification against all claims, injuries or accidents, with cover up to £2 million.
9. Proof of notice displayed in premises window.

*Please note – If your application is for a renewal of an existing Pavement Licence, and no amendments are being made to the original plan, updated insurance, application form and fee are required only. The service can utilise existing plans to determine your renewal.

You will need two types of plans:

Location plan – to show where your proposal is situated in relationship to the surrounding area. You must clearly edge the site boundary in red. The plan should be of 1:1250, to Ordnance Survey quality.

Detailed plan (with elevations) – to show the proposed area and furniture and its relationship to existing buildings and features. The plan should be to metric scale and the main dimensions should be clearly stated. It should include all the information supplied as part of this application.
