Disabled badge holders can park for free on all Lancaster City Council pay and display car parks with no time limit

Height Restrictions: Car Parks with (H) after name.

Upper St Leonardgate is the only Lancaster City Council car park which can accommodate large Motor homes.

All other car parks are either too small or there are potential problems with access to and from the area.

There have been complaints from other car park users relating to larger motor homes overhanging bays. The main problem seems to be access steps not being folded away. Could all motor home owners please ensure that all steps are folded away.

Any large vehicles taking up more than one parking bay must purchase additional tickets for any other bays used or covered.

There are no provisions made on any of the car parks for trailers and caravans.

There is no ban on parking vehicles overnight on car parks, although there is a ban on sleeping in vehicles overnight.

Log on to the Lancaster City Council web site for further details and information on what permits are available and how to use cashless parking. www.lancaster.gov.uk/parking

There is no HGV parking available on any Lancaster City Council car park
