Code of Conduct

Permit holders must agree and abide by the following when accessing Morecambe Promenade and its waterfront.

Coastal users should:

- Be in possession of a valid permit, obtained from Lancaster City Council, allowing access to Morecambe's promenade to launch a vessel/craft. The permit must be displayed in the **front** windscreen of the towing vehicle.
- Have valid insurance documentation and a datatag (powered craft only) for the vessel planning to be launched. If not, access to the slipway will be refused.
- Register all **powered** craft with a datatag. In some cases, jet skis may already be registered. If this is the case, Lancaster City Council requires proof and access to the vessel identification number.
- Keep slipways clear of obstruction at all times. Please be aware that **no** parking is permitted on the foreshore.
- Indemnify Lancaster City Council, its employees and agents against any and all actions, costs, losses, damages, injury, charges, claims, expenses and damage whatsoever arising directly or indirectly from the use of the foreshore, except damage and injury arising from the negligence from the council and that of all its employees and agents.
- Observe all statutory provisions, regulations and orders as well as notices or documents received pursuant to any such requirement provision, regulation or order.
- Under no circumstances deposit litter or any other waste (including fish, shellfish or bait) on the foreshore or any adjoining land.
- Be aware that there are limited parking spaces available around the slipways, therefore, if occupied, vacant spaces elsewhere will have to be sourced.
- Be over 12 years of age to operate any **powered** vessel/craft. Be under direct supervision of an adult at all times while using any **powered** vessel/craft, if aged between the ages of 12 and 16 years. Hold a valid RYA PWC certificate of competence if riding a Jet Ski/PWC.
- Display a valid datatag licence on the vessel/craft, below the handlebars. This is required for **powered** crafts only.
- Understand that datatags have a unique vessel identification number, which is assigned to the **vessel** and not its owner. Therefore it remains with the boat. If you wish for another craft to be registered, a new datatag must be obtained.
- Always check weather reports, allow someone to know what time you expect to be back and check all safety equipment before leaving the waterfront.
- Only access the promenade during the hours of daylight.

NB: Permits can be revoked following non-adherence to any of the above conditions.

There is a speed limit of 10 mph and hazard lights must be in use while in motion on the promenade.

In the event of an emergency, dial ☎999 and ask for the coastguard
