

Your Park Dog Code

With 54 acres of parkland to explore, why not bring your four-legged companion along! We love dogs at Williamson Park, but ask that all owners follow our simple Dog Code to ensure your dog is safe, well behaved and doesn't leave any little surprises for other park visitors!

Control your dog!

Always ensure your dog is within sight and returns to you when called

Know where you can go!

We would prefer for your dog to be kept on a lead around The Pavillion Café, Friends Garden and on the main drive way Please do not allow your dog onto the Play Areas.

The Pavillion Café

Please keep your dog under control and on the lead in the café. We ask that dogs remain on the floor and not on the furniture. We hold the right to ask you to leave if your dog is causing disruption.

Protect Wildlife!

Never let your dog approach wildlife. We often have roaming deer, squirrels, rabbits, hedgehogs and more in the park and we want it to be safe for them.

Consider others!

Never let your pet approach cyclists, other people, dogs or horses uninvited.

Clean up!

Always bag and remove your dog's waste, please help us keep the park clean for everyone!
