Dear Mr McCoy

**Lancaster District Local Plan – Request under Section 20(7c) of the Town and County
Planning Act 2004 (Main Modifications)**

I write with regard to Lancaster District Local Plan Development Plan Documents (the Strategic Policies and Land Allocations DPD and the Review of the Development Management DPD) which you are in the process of independently examining. I wish to formally request that as part of the Examination process you make recommendations to the Council for any main modifications to these DPDs that you consider necessary in order to enable the documents to satisfy the requirements referred to in Section 20(5)(a) of the Planning and Compulsory Purchase Act 2004 to make a Development Plan Document sound.

This request is made under the above Act and Regulations to enable the Council to progress the Development Plan Documents to adoption following public consultation on any main modifications that may be proposed.

Yours sincerely

Maurice Brophy MSc BSc(Hons) DipTP MRTPI CIHM
