PART B

USE OF PARKING PLACES

2. The named areas of land specified in the First Schedule to this Order, the location of which area shown on the plans attached to this Order, are hereby authorised to be used subject to the following provisions of this Order as parking places for such classes of vehicles as are specified in the First Schedule to this Order.

(1) Where in the second column of the First Schedule a parking place is described as available for vehicles of a specified class or in a specified position, the driver of a vehicle shall not permit it to enter or wait in that parking place unless it is of a class and in the position so specified.

(2) Where surface markings and/or signs have been laid in a bay or bays within a parking place to indicate that the bay or bays are only available for vehicles of a specified class, the driver of a vehicle shall not permit it to wait in that parking bay unless it is of a class so specified.

(3) Where a vehicle is left in a parking place specified in the First Schedule during the hours of charging specified in the fourth column of the First Schedule for that parking place the driver shall either:-

(i) obtain a parking ticket via the Mobile Telephone Parking Scheme; or

(ii) display in the relevant position a valid permit, parking ticket or badge, as specified in the sixth column of the First Schedule against the relevant parking place; or

(iii) purchase and register a Virtual Permit; or

(iv) shall be required to pay by the ANPR system if installed within the parking place.

(4) Where in the First Schedule a parking place is described as available for vehicles displaying a Specific Permit or Staff Specific Permit the driver of a vehicle shall not permit it to wait in that parking place unless it is displaying a valid Specific Permit or Staff Specific Permit issued by the Council for use in that particular parking place. For the avoidance of doubt, a Specific Permit is valid only for the parking place and parking bay stated on the permit whereas a Staff Specific Permit is valid for the parking bay stated on
the permit and a number of parking places as specified in the First Schedule.

(5) The driver of a vehicle shall not permit it to wait in any parking place for a period exceeding the maximum permitted length of stay specified for that parking place in the fifth column of the First Schedule and shall not return to that parking place before the expiry of the return period of time stated in the fifth column of the First Schedule.

(6) Where a parking place, or part thereof, is marked out with parking bays, the driver of a vehicle shall not cause or permit it to wait in that parking place, or part thereof, unless it is positioned wholly within a parking bay.

(7) Where an area of any of the parking places in the First Schedule has been deemed to have been closed by the Council as indicated by signs and or physical barriers, the driver of a vehicle shall not cause or permit it to wait in that area.

(8) No person shall cause or permit a vehicle to park or wait on grass verges or soft landscaped areas within a parking place in the First Schedule.

(9) The driver of a vehicle shall not cause or permit an obstruction to any other vehicle in any part of a parking place in the First Schedule.

(10) Overnight stays (including camping) are prohibited in all parking places in the First Schedule.

(11) Sleeping in any vehicle is prohibited in all parking places in the First Schedule.

(12) No person shall cause a motor vehicle to enter any part of a parking place in the First Schedule to this Order which exceeds the height and or weight restrictions applicable to that parking place specified in the First Schedule except with the permission of a Police Constable in uniform or a Civil Enforcement Officer.

(13) No person shall use a parking place as a means of passage proceeding from one road to another.

(14) Subject to the provisions of Article 4 (1) and 4 (2), a vehicle of the permitted class specified in the second column of the First Schedule may be left in a parking place for any period outside the hours of operation referred to in the fourth column of the First
(15) Unless previously authorised by a Police Constable in uniform or a Civil Enforcement Officer, caravans, and trailers are prohibited from all parking places in the First schedule.

(16) The driver of a vehicle drawing a trailer shall not permit the vehicle or the trailer to wait in a parking place unless they have been disconnected and for the purpose of this Order the vehicle and the trailer shall be deemed to be separate vehicles and the driver shall be deemed to be the driver of each of the said vehicles, although this requirement shall not apply to a heavy goods vehicle.

(17) Where in a parking place signs and/or surface markings are placed for the purpose of indicating that waiting is prohibited or that access is to be kept clear no person shall cause or permit a vehicle to wait in that part of the parking place.

(18) Where within a parking place there is a sign and/or surface marking that indicates a parking bay is designated as an Electric Vehicle Parking Bay, no motor vehicle or Electric Vehicle shall be permitted to stand or wait in the parking bay unless it is connected to an Electric Charging Point for the entire duration and actively charging.

3. (1) The Council may, by notice placed in or near a parking place, suspend the use of that parking place or any part thereof and the driver of a vehicle shall not, without the consent of the Council, cause or permit that vehicle to wait in that parking place or part thereof which is suspended, notwithstanding the provisions of Article 3 and the other paragraphs of this Article.

(2) The Council may, by notice placed in or near a parking place, designate that parking place or any part thereof for free use by vehicles waiting in connection with functions or purposes authorised by the Council and the driver of a vehicle shall not cause or permit that vehicle to wait in that parking place or part thereof so designated unless in connection with that function or purpose, notwithstanding the provisions of Article 3 and the other paragraphs of this Article.

(3) Nothing in Article 2 (1), 2 (2), 2 (3) or 4 (1), 4 (2) and 4 (3) relating to the permitted class of vehicle or payment of charges shall apply to the following:

(i) vehicles in use for works of building, demolition, repair or maintenance to car parks or buildings adjacent to the car parks,
(ii) vehicles of the emergency services while in use for such purposes,

(iii) vehicles authorised by the Council for specified purposes.

4. (1) Subject to Article 4 (2) and Article 4 (3) the driver of a vehicle using a parking place specified in the First Schedule during the hours of charging specified in the fourth column of the First Schedule against that parking place shall upon leaving the vehicle in the parking place pay for each bay occupied the charge specified in the seventh column of the First Schedule as appropriate by the insertion in a ticket machine relating to that parking place of a coin or coins together making up the amount of the charge and, where more than one coin is required for payment of that charge, the coins shall be inserted in the ticket parking meter one immediately after the other.

(2) No charge shall be payable by the driver of a vehicle left in that parking place which displays in the relevant position a valid permit, or badge, or of the type specified in the sixth column of the First Schedule against that specific parking place and permitted class of vehicle.

(3) Parking places specified in the First Schedule may allow for the purchase of parking tickets via the Mobile Telephone Scheme. As with the purchase of a parking ticket from a ticket machine, payment via the Mobile Telephone Scheme of the relevant charge described in the seventh column of the First Schedule must be made upon parking of a vehicle. Following the payment of the relevant charge as described in the seventh column, via the Mobile Telephone Scheme, a vehicle may be parked in a parking bay without physically displaying a valid ticket. In such circumstances references to electronic proof of purchase will be the means of confirming compliance with the provision of Article 2 of this Order.

(4) Following the purchase of a parking ticket via the Mobile Telephone Scheme further parking time may be purchased (if the parking place, in accordance with the fifth column of the First Schedule, does not restrict return parking) via the Mobile Telephone Scheme but any supplementary purchase must comply with the provisions of charges in the seventh column of the First Schedule.

(5) No person shall insert into a ticket machine relating to the parking place in which a vehicle has been left any coin additional to the coin or coins inserted by way of payment of the initial charge in respect of that vehicle.
(6) A parking ticket purchased at a machine or via the Mobile Telephone Scheme situated in a parking place is not valid in any other parking place. Should a ticket be purchased in one parking place and displayed in a vehicle parked in another parking place it shall be deemed that the vehicle is not displaying a valid parking ticket.

(7) The ANPR car parking system allows for the purchase of additional parking time during the initial period or after the driver has left the parking place. All fees owing for the period of time for parking within the parking place must be paid by 12.00 midnight of that days parking.

PART C

OTHER PROVISIONS

5. The driver of a motor vehicle using a parking place shall stop the engine as soon as the vehicle is in position in the parking place and shall not start the engine except when about to change the position of the vehicle in or to depart from the parking place.

6. The driver of a vehicle shall not permit that vehicle to wait in a parking place unless the vehicle is licensed, in accordance with the provisions of section 1 of the Vehicle (Excise and Registration) Act, 1994, and unless there is, in relation to the use of the vehicle by the driver, such a policy of insurance as complies with requirements of Part VI of the Roac Traffic Act, 1988.

7. No person shall, except with the permission of any person duly authorised by the Council, drive any vehicle in a parking place other than for the purpose of leaving that vehicle in the parking place, in accordance with the provisions of this Order or for the purpose of departing from the parking place.

8. The driver of a vehicle using a parking place shall comply with the lawful instructions of any authorised Civil Enforcement Officer on duty in that parking place and, in particular, but without prejudice, to the generality of the foregoing, shall forthwith remove the vehicle from the parking place on being instructed to do so by any such Civil Enforcement Officer.

9. (1) If a vehicle is left in a parking place in contravention of the provision of Articles 2(1), 2(2), 2(7), 2(9), 2(11), 2(12), 3(1) or 3(2) a Civil Enforcement Officer or other person authorised by the Council in that behalf may alter or cause to be altered the position of the vehicle so that its position is in accordance with the said provisions.
(2) If a vehicle is left in a parking place in contravention of any of the foregoing provisions of this Order a person authorised by the Council in that behalf may remove the vehicle from the parking place or arrange for such removal.

(3) For the purpose of meeting the requirements of an emergency, a person authorised in that behalf by the Council or a Police Officer in uniform may alter or cause to be altered the position of a vehicle in a parking place or remove or arrange for the removal of a vehicle from a parking place.

(4) Any person altering, or causing the alteration of the position of a vehicle by virtue of paragraphs (1) or (3) of this Article, or removing or causing the removal of, a vehicle by virtue of paragraph (2) or (3) of this Article, may do so by towing or driving the vehicle or in such other manner as he may think reasonably necessary to enable the position of the vehicle to be altered or the vehicle to be removed.

(5) Any person removing or arranging for the removal of a vehicle by virtue of paragraph (2) or (3) of this Article shall make such arrangements as considered to be reasonably necessary for the safety of the vehicle in the place to which it is removed.

(6) The Council may as respects a vehicle which has been removed from a parking place in pursuance of Articles 9(2), 9(3), and 9(5) if it appears to it to have been abandoned, sell or otherwise dispose of the vehicle in accordance with the Removal and Disposal of Vehicles Regulations 1986, as amended and any other amendments made from time to time.

10. Any person duly authorised by the Council may suspend the use of a parking place or any part thereof whenever he considers such suspension reasonably necessary.

PART D

PENALTY CHARGE AT PARKING PLACES

11. If a vehicle is left in a parking place in contravention of or non-compliance with any Article of this Order a penalty charge shall be payable by the owner (subject to the provisions of Section 77, 78 and Schedule 9 of the 2004 Act and the Civil Enforcement of Parking Contraventions (England) General Regulations 2007) for each day of the said contravention or non-compliance.
In the case of a vehicle in respect of which a penalty charge has been incurred, it shall be the duty of a Civil Enforcement Officer to attach to the vehicle in a conspicuous position, a penalty charge notice which shall include the particulars as proscribed in the Schedule of the Civil Enforcement of Parking Contraventions (England) General Regulations 2007 and section 3 (2) of the Civil Enforcement of Parking Contraventions (England) Representations and Appeals Regulations 2007.

Where a penalty charge is payable, a penalty charge notice may be issued by post if a civil enforcement officer attempted to serve a penalty charge notice in accordance with regulation 9 of the Civil Enforcement of Parking Contraventions (England) General Regulations 2007 but was prevented from doing so by some person, or a civil enforcement officer had begun to prepare a penalty charge notice for service in accordance with regulation 9 of Civil Enforcement of Parking Contraventions (England) General Regulations 2007, but the vehicle concerned was driven away from the place in which it was stationary before the civil enforcement officer had finished preparing the penalty charge notice or had served it.

Subject to regulation 20 of the Civil Enforcement of Parking Contraventions (England) General Regulations 2007 where a penalty charge notice has been served in accordance with regulation 9 of the Civil Enforcement of Parking Contraventions (England) General Regulations 2007 and the period of 28 days specified in the penalty charge notice as the period within which the penalty charge is to be paid has expired without the charge being paid the enforcement authority may serve a notice to owner on the person who appears to them to have been the owner of the vehicle when the contravention occurred.

In accordance with regulation 21 of the Civil Enforcement of Parking Contraventions (England) General Regulations 2007 where a notice to owner is served on any person and the penalty charge to which it relates is not paid before the end of the relevant period, the Council may serve on that person a charge certificate to the effect that the penalty charge in question is increased by 50 per cent in accordance with Regulation 21 of the Civil Enforcement of Parking Contravention (England) General Regulations 2007.

Service of a penalty charge notice, notice to owner or charge certificate by first class post is deemed effective on the second working day after the day of posting.

The level of penalty charge, reduced penalty charge and surcharge for payment of a penalty charge after a certificate has been issued payable by the owner for contravention of or non-compliance with any Article of this Order shall be differentiated between a higher level
contravention and all other contraventions in accordance with Band 2 as set out in Table 1 of section 2 of the schedule to the Civil Enforcement of Parking Contraventions (Guidelines on Levels of Charges) (England) Order 2007.

18. Higher level contraventions are those proscribed in Table 3 of section 2 of the schedule to the Civil Enforcement of Parking Contraventions (Guidelines on Levels of Charges) (England) Order 2007.

19. The level of penalty charge shall be in the sum of the following amounts:-

a. For a higher level contravention or non-compliance with any Article of this Order the sum of £70 on the issue of a penalty charge notice and £50 for all other contraventions and non-compliance with any Article of this Order subject to being discounted to a reduced penalty charge of £35 for a higher contravention or non-compliance and £25 for all other contraventions and non-compliance of any Article of this Order.

b. On the issue of a 'charge certificate' in accordance with the provisions of Regulation 21 of the Civil Enforcement of Parking Contraventions (England) General Regulations 2007 and The Civil Enforcement of Parking Contraventions (Guidelines on Levels of Charges) (England) Order 2007 the penalty charge for a higher level contravention or non-compliance with any Article of this Order shall be increased to the sum of £105 and increased to the sum of £75 for all other levels of contravention or non-compliance.

20. (1) Payment of the penalty charge or reduced penalty charge to the Council shall be by cash, cheque, postal order, credit card, or debit card.

(2) Payments shall be made to the relevant department or office of the Council or Council’s Contractor as stated on the penalty charge notice.

(3) Payment of the penalty charge or reduced penalty charge must be made by not later than 5.00pm by the date specified on the penalty charge notice but should the said Council Department/Office or the office of the Council’s Contractor be closed on the said date specified the period for receiving payment may be extended until the next full working day.

21. The particulars given in the penalty charge notice attached to a vehicle in accordance with the requirements of section 78 of the Act of 2004 and Regulation 9 and the Schedule to the Civil Enforcement of Parking Contraventions (England) General Regulations 2007 shall be
treated as evidence in any proceedings relating to failure to pay such penalty charge.

22. When a penalty charge notice has been attached to a vehicle in accordance with any of the foregoing provisions of this Order no person other than a person authorised by the Council in that behalf or the owner or driver or a person authorised by the owner or driver in that behalf shall remove the penalty charge notice from the vehicle in accordance with Section 11 of the Civil Enforcement of Parking Contravention (England) General Regulations 2007.

23. (1) Save for the provisions in Article 4 (3) if at any time while a vehicle is left in a parking place specified in the First Schedule no ticket is displayed on that vehicle in accordance with the provisions of Article 2 (3) it shall be presumed, unless the contrary is proved, that the parking charge has not been paid.

(2) Any ticket issued by a ticket parking meter shall be presumed, unless the contrary is proved, to have been issued on the day and time shown thereon.

PART E

LIABILITIES AND PENALTIES

24. The use of a parking place is subject to the conditions that the leaving of a vehicle in a parking place constitutes no bailment, actual or inferred, and that no liability shall attach to the Council for any personal injuries suffered or any loss or damage sustained to any vehicle or personal property arising out of or in connection with the use of any parking place unless such injury, loss or damage is a result of the negligence of the Council, its servants or agents.
PART F

Replacement and Renewal of Permits

34. (1) If a permit issued under Articles 26, 27, 28, 29, 30, 31, 32 or 33 is mutilated or accidentally defaced or the figures or particulars thereon have become illegible or the colour of the permit has become altered by fading or otherwise, the permit holder shall surrender it to the Council and may apply to the Council for the issue to him of a duplicate permit and the Council, upon the receipt of the permit, if such receipt is accompanied by an application for a duplicate permit, shall issued a duplicate permit so marked and upon such issue the original permit shall become invalid.

(2) If a permit issued under Article 26, 27, 28, 29, 30, 31, 32 or 33 is lost or accidentally destroyed; the permit holder may apply to the Council for the issue to him of a duplicate permit, and the Council, upon being satisfied as to such loss or destruction, and upon receipt of an application for a duplicate permit, may issue a duplicate permit so marked and upon such issue the original permit shall become invalid.

(3) The provisions of this Order shall apply to a duplicate permit and an application therefore as if it were a permit or as the case may be an application therefore.

The Prohibitions and Restrictions imposed by this Order shall be in addition to and not in derogation of any restriction or requirement imposed by any regulation made or having effect as if made under the Act of 1984 or by or under any other enactment.
